

Durham Local Area Documentation Checklist

Please bring the following documents with you when you return for your intake appointment. Some forms of documentation can be used to verify more than one of the below requirement. It is only necessary to bring one document that verifies each of the required items. For example, a driver's license can be used to verify both county of residence and date of birth, so you would only need to bring your drivers license to satisfy both the date of birth and county of residence documentation requirement.
